Definitions:

Pitch Type:

FB4 = Four Seam Fastball
 FB2 = Two Seam Fastball
 CUT = Cut Fastball (Cutter)
 CB = Curveball
 SL = Slider
 CH = Change Up
 SPL = Split Finger
 FRK = Forkball
 KNU = Knuckle Ball

Location:

Intended location for that pitch.

Ball:

Pitch thrown outside of the strike zone.

Strike:

Pitch thrown inside the strike zone.

Executed:

Pitch thrown to the intended location with pitch type spin and movement.

**Note: Sometimes this pitch may end up outside of the strike zone. For example, throwing a put away CB that lands in the dirt behind home plate.

***It is possible to throw a strike and not be an "executed" pitch. For example, throwing a FB to one side of the plate but it ends up on the other side of the plate, yes this is a strike, but it's not an executed pitch.
